Curriculum

Feel free to take a moment to check out the curriculum board and see what activities are planned for our little ones. If you would like to know what specific activities your little one is working on feel free to ask.

Happy Birthday

We would like to wish Lucas a happy first birthday he will be one on the 20th.

Welcome / Transitions

We would like to welcome Margaret she will be starting with us on the 16th.

Guess what I'm doing..... Large and fine motor

Lucas- I am pulling up to furniture and standing without leaning my chest on the furniture for support.

CJ- I am working on sitting up with support for a short period of time

Emma- I am sitting up without support

Christian- I am working on sitting up with support for a short period of time

Liam- When I am held in a sitting position I will reach out for object that is in front of me

Collins- I will hold onto objects briefly while waving them around

Guess what I'm doing..... Problem solving and personal social

Lucas- When my teacher asks for an object I will offer it to her and let go letting her have the object

CJ- I will reach out for objects in front of me with both hands

Emma- When playing I will bang objects up and down on the floor in front of me

Christian- I will try and get objects that are out of my reach

Liam- I will smile at my teachers when they are nearby me before they smile at me

Collins- When I have my hands together I play with my fingers
