

# September 2019 Newsletter- PK5

Welcome to  
Preschool

## News

We will be closed on Labor Day September 2<sup>nd</sup> 2019. This month, we get back down to business with our curriculum. You can find the current lesson plan along with our newsletter posted on the parent board right outside of our classroom. We are very excited to start this new school year! Please bring in a Family picture for our family door.

## Curriculum

In Language, we will finish Set 1 of our phonetic sounds (M, F, G, B, R, T). With that, we will continue to learn and practice a new sound weekly. We will also continue to learn 1 new state a week. Then, we will begin introducing the continents to the children. We will begin with North America. This month our class will also be focusing on Apples and emotions. We will begin learning about different animals habitats (do they live in water, land, or air). We will learn the parts of the apple and so much more. The children have already learned so much and are learning so quickly. As always with any questions please feel free to ask.

## Important Dates
