School is back in session! I would like to welcome all of our new and returning school agers back to the School Age room. This month we will be focusing on going over/reviewing our classroom rules. The children will take time learning more about each other and our new classmates as will the teachers. The children will learn about the environment around them and the changing of season. We will take some time making some fall crafts that we can hang up around the room.

\*\*Parents if you have any questions or concerns don't hesitate to call or talk to me throughout the day.
