

Two's November Newsletter

The weather is get cooler, the squirrels are super busy and leaves have started to change. October has come and gone but what a time we had. The children started of the month learning about Apples. We learned about what color apples can be and used those colors throughout several project we did like coloring apples with crayons, tearing colored construction paperwork to make an apple, and painting an apple tree with cotton balls. During our work time we worked hard on counting apple seeds to match the numbers 1-4, sequencing the correct order to eat an apple and sorting apples with our letters of the month "m & l". We also created sand letters of "m & l" as well as an "l" with leaves and an "m" with mud. For the second half of the month the children dove into Fall. We started out by sponge painting leaves with fall colors. We read books which captured the season and taught the children new songs to sing. We explored the inside of a pumpkin, painted a pumpkin, matched leaves, touched real leaves, and ended our month with a Party!

For November the children will be learning about Nocturnal animals as well as animals which hibernate. We will be sorting out animals who play during the day and those who play at night. Animals like raccoons, bats and owls. The children will learn about a few animals that hibernate in the in winter and why. Like a bear, skunk, turtle, frogs and bees to name a few. We will also be introducing the children to the new letter of the month which is "e". We will continue to review the letter "m" throughout the month. During the month we will also be focusing a lot on using our manners and what it means to be Thankful.

A few reminders with the weather becoming colder. Please dress your child in a warm coat, hat and mittens or gloves. We will be going outside and when they are dressed warm they can explore and have more fun playing outside. Please also try to write your child's name on their winter gear. Other children may have the same kind and this will help us out to know who's are who's.

Thank you in advance!
Ms Zavaski
