

Infant Newsletter
~August 2020~

Where did all of last month go? Summer has been flying by so fast. Hard to believe that we are in the month of August already. We in the Infant Room do have a birthday to celebrate and that is Lincoln; his birthday is August 20 and he will be turning 1!

Our babies are keeping us busy with crawling around the classroom, rolling over and learning how to stand themselves up onto things. We are loving being able to go outside and play in the water and being able to be out in the sunshine!

Reminders:

Please make sure that we are filling out the monthly fact sheets so we are up to date on all of the babies. Also, please make sure that all bottles have the date with first and last name on it.

Looking forward to another great month with all of the babies!

Mrs. Cadle
Ms. Kirby
