

School Age Newsletter

~August 2020~

July flew by; I can't believe it's already August! We got to do some fun things this past month. We were able to go swimming on Thursdays at the YMCA; we also made some yummy treats for snack. We've been able to get out of school and even make our own pizza at Chicago Dough. We had a blast bowling at Laraway Lanes, as well as going hiking at Water Fall Glen.

As Summer Camp comes to an end soon, I hope everyone has a happy and safe school year!

Thanks,

Ms. Fox
