

TWO'S NEWSLETTER

~AUGUST 2020~

Wow, we are already in August! Where did the summer go? We had so much fun in June and July we will continue to have fun in August also! Thank you for bringing in the supplies needed for your child! It's greatly appreciated!

We will continue to have water days on Monday and Thursdays! The children love to get each other wet and teachers too! Our themes for August are Zoo Animals and Space. We will be working on the letters u/r/b, the number 10, color- brown/yellow and the shape- star. We will also be doing a couple fun "cooking" projects which the kids can eat for snack! Yum! The class will be doing a lot of fun activities that go along with these two themes. The children love learning new things and learning/playing with the new activities I make for the classroom!

We have one birthday in August; Emme! She will be three on August 2, Wow can you believe it? The class will be celebrating her birthday soon! Happy Birthday Emme!

The school year will be starting soon; I think we are ready to get back into the swing of things! This date will be announced at a later time. There will be some changes coming soon to our classroom, so please be aware! They will be good changes!

There will be a few extra fun days to celebrate in August!

August 6 - We will be making our own ice cream sandwiches...yum!

August 11 - Go outside and look at the clouds - what do you see?

August 18 - Watermelon Day - who doesn't love watermelon?

August 23 - Go fly a kite day - we will make our own and then go outside and see if it flies

If you have any questions or concerns, feel free to email me. I will also be sending messages if something comes up. Thank you for getting back to me so quickly!

Thank you for letting me be a part of your child's day! It is a joy having your child in the two year old room!

Sincerely,

Mrs. Broski
