

September Newsletter

It is so nice to be back in the swing of things! I have been looking forward to meeting new friends, and seeing friends return! I am looking forward to spending this new school year with your children!

In August we took the time to go on an adventure to the jungle! We learned where jungles are located, and we went exploring in our outdoor playground. We also went "back to school" and started to prepare for our new school year!

For the month of September, we will start to form our normal everyday routine in the classroom. It is going to be a transition month. Here we will form the basic tasks that we will perform every day in the classroom. The students will learn what is expected of them, as well as get to explore all the different areas in the classroom. We will go over each individual work in the classroom and show the students how to properly do that work. We will practice rolling and unrolling workspaces, as well as our classroom manners. It will be a filled month for sure!

I am super excited to get to spend this year with your child! Please feel free to ask any question you may have!

-Ms. Anne Griffiths

REMINDERS

- Please limit nap items to 1 blanket and 1 stuffed animal
- Make sure your child has a set of extra clothes
- Please bring sunscreen for your child if you have not already
- Bring a family photo for our class family tree!
