

# School Age Newsletter

*~September 2020~*

Welcome back friends! Some are returning and some are new friends. I know that these can be difficult times for some of your children but we will get through this together. I am excited to be able to help your children learn while they are doing their work online with e-learning. If they need help, they can always ask for help. Let's make the best of this school year!

Thanks,

Ms. Fox
