

Toddler Newsletter

~September 2020~

Welcome back! It is great to see some old and new faces. We would like to take the time to welcome Finley J. into todods. She has adjusted really well, and has made new friends pretty quickly. We are excited for the group we have.

As summer comes to an end soon, we are getting things ready for the fall. We enjoyed our water days! Sad to see them come to an end, but we can always have indoor water days with the sensory table inside our room. We have been pretty busy in the toddler classroom, getting to know our new friends and families, as well as adjusting to each individual's needs. September will be just as much fun as August! In the month of September, we will continue to get to know our friends and families, as well as a couple of new friends who are starting with us.

In the month of September, we have one birthday. Happy Birthday to Ms. Downs!

On September 7, 2020, First School will be closed in observance of Labor Day. Enjoy your three-day weekend!

Thanks,

Ms. Downs
