

Two's Newsletter

~September 2020~

Welcome September, a new school year, fall and a little cool weather! We have had a great summer with lots of fun activities; it really went fast!

The themes for September are Back to School, All About Me and Apples. We will be doing fun activities for all three themes! Please come into our room to look at all our artwork and different projects! The twos are very proud of what they have made! For the theme All About Me I will be handing out posters for your family to fill out and color. When you are done with the poster, please return it, and I will be talking about your poster, and then the poster will be hung on the windows. I can't wait to see them! You will have two weeks to finish them. We will be learning the letters c/a/m, the sounds they make, and we will be making art projects that begin with the letter learned, the number will be one (recognizing and counting), the color is red and the shape is circle.

We have a new student in our Two year old room: Jackson; welcome! He is adjusting well and the others are making him feel welcome. Welcome back Owen! He was in the Toddler room and now he is two and doing well in our room!

We have two birthdays in September: Brantley on September 21st and Danny on September 25th. Happy Birthday both of you! We will be celebrating their special days by picking a "present" from the birthday box, receiving a bracelet and crown, and they can pick a special healthy snack (my treat) to share. Wow, they will both be three! Hard to believe! Happy Birthday!

Special days we will be celebrating in September:

September 9-Tuesday-Teddy bear day; please bring in a teddy bear to share with the class

September 13-Grandparents Day! Let's celebrate Grandmas & Grandpas

September 16-Play dough day! We will be making scented play dough to play with in class

September 17 & 18: Picture Day! Everyone will be looking their best for pictures!

September 22-First day of Fall-Let's Celebrate!

We will continue to go outside, weather permitting, but the time will be shortened by a little bit. We still be putting on sunscreen lotion.

We are going to make Art Smocks for the classroom! I am asking each child to bring in 1 plain t-shirt so we can decorate it for when we do messy art projects. Please bring in an old t-shirt. Thank you for your cooperation!

Thank you for letting me be a part of your child's life! If you have any questions, feel free to email me at firstschooltwos1@gmail.com Thank you.

Sincerely yours,

Mrs. Broski
