

January 2021

PreK-4 Newsletter

Let it snow! Let it snow! Please make sure that your child has winter clothes here. Then we can go out and play when temperature is suitable for us to enjoy the outside.

Happy Birthday to Kaylor. She turns 5 on the 26th.

Curriculum for the month:

We will continue reviewing our activities. The first couple of weeks we will be working on time and measure. Measuring time, months of the year. The seasons, winter days of the week, how many hours during the day, and minutes. Measuring volume- $\frac{1}{4}$ cup, $\frac{1}{3}$ cup, $\frac{1}{2}$ cup and a whole cup. The following weeks measuring weight- weighing ourselves, making a graph on how tall we are. We will have a discussion on who is the tallest, and who is the shortest. We will line up in the order of tallest to shortest.

We would like to thank everyone for our Christmas gifts. I hope everyone had a great holiday and got to enjoy family.

Happy New Year!!!!

Mrs. Green, Ms. Kershaw, and Ms. Adwell
