

## January 2021 Newsletter- PK5

### News

Thanks to everyone who donated and helped with our party. We really appreciated everything.

### Curriculum

In Language, we will continue working on Set 3 of our phonetic sounds. With that, we will continue to learn and practice a new sound weekly. We will be focusing on Dinosaurs the first two weeks and then we will move on to Emotions the last two weeks. We will learn the names of the dinosaurs, what they ate, and where they lived. We will continue to go outside so please make sure all children are dressed appropriately. As always, for more details, you can view our lesson plans on the parent board just outside our classroom door.
