Lucas will turn 5 on the 2nd and Ellie will turn 6 on the 6th!

Thank you Parents!

Thank you for the teacher application gifts. We loved them. We appreciate you, too!

Congrats Grads!

Congratulations on graduating preschool on June 3rd. In just a few short months, you will start kindergarten. How exciting! Until then, we will refresh your minds of what we have talked about this past year. We will go over sounds, numbers 0-100, addition, subtraction, and Montessori activities like setting the table, pouring water into a cup, and braiding.
