

School Age Newsletter

November 2018

We are wrapping up October, and welcoming November into our school year. We will be talking about what we are thankful for, also getting our hands onto some more crafts coming up. It has been such a joy getting to learn familiar faces and grow with these school-agers.

Important Dates to Remember:

- November 1st: Public school closed. First School open!
- November 22nd- 23rd: Public school closed and First School closed in observance of the Thanksgiving holiday!

Thank you!!
Ms. Lewis
