February 2020

This month we are getting to know everyone in class. We just welcomed a new friend in our class! Welcome Julian! Also, this month we have some birthdays. Emelia turns one on February 23<sup>rd</sup> and Julian turns one on February 27<sup>th</sup>. I'm super excited with the bond that we are all building together. We have a few friends that are so close on walking and we have other friends that are learning how to sit up. So, we are keeping very busy with all of our friends.

A friendly reminder, please make sure that all bottles are labeled with the date, time it was made, and name on all of the bottles! Also, make sure we have extra clothes for your child. That way, if we get messy, then we have clean clothes for your child to change into. Thank you!

-Mrs. Cadle and Ms. Kirby
