Newsletter
-May 2020-

Hard to believe that it is now the month of May. I know that us teachers in the infant room are glad that it is starting to finally get warm out and that we are going to be able to spend some more time outside! We would like to say happy birthday to Tessa; she will be one on May 20! Our babies are for sure growing and changing so much every day. We have babies that are teething and that are learning how to crawl.

With the weather now starting to get hot out, we in the infant room would like to make sure that all of our babies have sunscreen with their name on it and also a sun hat and summer clothes for them to have here. Also, please remember to mark all bottles with first and last name. Black is for formula and red is for breast milk.

All of us in the infant room are looking forward to what fun we will have in the month of May!

Sincerely,

Ms. Cadle &

Ms. Kirby
