

# School Age Newsletter

----*June 2020*----

I am so excited that Summer Camp is here! Hopefully more things will open up, so that we can go to more places safely. I am so happy to welcome back our old friends and maybe welcome some new friends as well.

I can't wait to go for walks and to parks with the kids, and do water days with them! Since we can't go to the movie theaters, we will have movie days here at school. Let's have a great summer!

Thanks,

-Ms. Fox
