

Two's Newsletter

April

Welcome April! Welcome Spring, Good Friday, Easter, Earth Day and Arbor Day!

The themes for April are Easter and Baby Animals. We will be doing fun activities to help learn these two themes. The children are doing really well at recognizing the letters learned. I have made little boxes with the letter we are learning or learned on the top and I put 5 or 6 pictures in the box of the letter. We go through the pictures and act like what it is. We also play fun learning games too to help them learn. They really enjoy doing these activities at circle! We will be reviewing the letters t/i/s and introducing the letters g/a/h. We will be reviewing the number 6 and introducing the number 7. The color of the month is purple and the shape we will be learning is the oval. The children love to do art and special activities. They are busy throughout the day and would love for you to come into the room to see what they have made!

I would like to welcome Henrik to our classroom. He is doing well and making new friends. The children are very welcoming and love to show him how to do the different activities in the room! There are no birthdays in April, but who says we can't have a party? We will be celebrating Spring/Easter Wednesday, April 8, 2020 by having a little party. We will be coloring eggs, doing art and playing fun games! The children have worked very hard and deserve a party!

SPECIAL DAYS IN APRIL

- April 1-April Fool's Day: what kinds of mischief can we get into? Lol**
- April 2-Peanut Butter & Jelly Day: let's make a sandwich for afternoon snack!**
- April 3-Find a rainbow day: wear your favorite color**
- April 8-Make a snack for birds**
- April 13-Pajama Day! Yay**
- April 22-Earth Day: let's clean up the playground and plant a flower for the Classroom**
- April 23-Have a picnic inside the classroom**
- April 24-Arbor Day: let's plant a tree**

We will be going outside, weather permitting. It's spring and we are hoping the weather will get warmer and drier too, so please dress appropriately.

Thank you for letting me be a part of your child's daily life and let me be their teacher! I enjoy teaching your child! As always, if you have any questions, please feel free to e-mail me at sarah@firstschoolinc.com Thank you.

Sincerely yours,

Mrs. Broski
