

Two's Newsletter

February 2020

Welcome to February! We have lots of fun activities planned for this short month.

Our themes for February will be Friendship/Getting along and Dental Hygiene. We will be learning how to get along, learning how to share and how to be a good friend by doing lots of fun activities and projects. The next theme will be Dental Hygiene, how to take good care of your teeth by doing fun activities, crafts, and large motor activities to get their energy because this weather is not cooperating. We will be learning the letters t/i/s and reviewing the other letters learned c/a/m and l/e/d. The children are doing really well with recognizing the letters and the sounds they make. We have been learning to recognize their names and the letters they start with. We "paint" the beginning letter of their names. I am very proud of them. We will be learning the color pink, the heart shape and the number 5. The children are also doing well with counting and recognizing numbers by doing the fun number activities and games! I am very proud of all that they are learning!

We have (3) birthdays this month! Charlotte -February 17 she will be three, David-February 22 he will also be turning three and Ms. lean-February 22 . Happy Birthday to all of you! For their birthday's they get to pick from the birthday box, pick the snack that they would like to have to celebrate (healthy of course), get a crown and a birthday bracelet to celebrate their special day!

Special Days to celebrate with two's in February

February 2-Ground hog day-Will he see his shadow or not?

February 4-Wear your favorite sweater day

February 11-Make a special card for a friend day

February 14-Valentines Day party 10-11:30

February 24-Make your pet a present day

We would like to welcome two new students to the two year old room. Raelynn and Maggie. Welcome we can't wait to meet you

If the weather is above 25 and dry, we will still be going outside so please remember boots, hats, gloves, scarves mittens so your child will be warm. Sometimes they need to go outside!

Thank you for letting me be a party of your child's life by being their teacher! I so enjoy watching your child grow and learn! If you have any questions please e-mail me at sarah@firstschoolinc.com . Thank you!

Sincerely yours,

Mrs. Broski
