

Two's Newsletter

-May 2020-

Welcome May! Welcome, May Day, Cinco De Mayo, Mother's Day and Memorial Day! Also warmer weather!

The themes for May are as follow follows: Bugs and Insects, In the Garden and Nursery Rhymes! We will be doing fun activities to help learn these three themes. We will be in our second week of doing bugs and the children love it! We are planning on growing some vegetables and flowers for a garden both inside and out! As you can see, we have a lot of Holidays to celebrate in May. We will be learning the letters o/h/p. The children are recognizing the letters learned and their names! I have some learning games in the classroom to help them. The color of the month is purple (for Mother's Day) and the shape we will be learning is a heart. The children love to do art and special activities. They are busy throughout the day and would love for you to come into the room to see what they have made!

I would like to welcome Brantley to our classroom. He is doing well and making new friends! The children are very welcoming and love to show him how to do the different activities in the room!

We have TWO BIRTHDAYS in May! Gunner's birthday is May 4; he will turn 3! We are hoping to see him on Zoom to sing happy birthday to him! Happy Birthday Gunner. The other birthday we will celebrate is Harald; his birthday is May 22 and he will also be turning 3; WOW! He will get to pick from the birthday box, get a special hat and bracelet, and he can pick the snack he would like to eat (my treat!) Happy Birthday Harald!

We had a zoom meeting 2 weeks ago, thanks to Ms. Griffiths and it was so great to hear and see Gunner, Reece, David, Danny and Emmett! The children that have been in the classroom are Emme, Harald, Charlotte, Henrik and Brantley. They were so excited and so was I to see everyone! I'm hoping to do another one next Wednesday!

SPECIAL DAYS IN MAY

May 1-May Day-We will be making some flowers and dancing around a pole with streamers

May 5-Cinco De Mayo-We will be enjoying some salsa (mild) and chips yum!

May 10-Mother's Day-We are busy making presents for a special surprise!

May 16-Wear the color purple

May 19-Plant a vegetable garden

May 30-Plant a flower to brighten our room

We will be going outside, weather permitting. It is spring and the weather is getting warmer and we will be going outside!

Thank you for letting me be a part of your child's daily life and let me be their teacher! I enjoy teaching your child! As always, if you have any questions, please feel free to e-mail me at firstschooltwos1@gmail.com I'm super excited to get an email and look forward to hearing from you! Thank you.

Sincerely yours,

Mrs. Broski
