

TWO'S NEWSLETTER

JUNE 2020

Welcome June! Warmer weather, sunshine, summer, Flag Day, Father's Day and the start of Summer Camp! We got through a couple of challenging months, but we made it through healthy and safe! We've had five children in class and it has been nice, because we can give them individual attention!

The themes for June will be Birds, Camping and SUMMER! Yay! We will be more laid back in the summer months, but I will still have lots of fun activities planned to keep your child B-U-S-Y! We will continue to work on letters learned and three new letters, p/u/r, the number 8, the color orange, and the circle shape.

I would like to welcome Savannah to our two year old classroom. She will be enjoying the summer with us and also the rest of the year! Welcome Savannah!

There are no birthdays in June, but who says we can't celebrate anyway?! We will be having a Summer Party for all of our birthdays on Monday, June 15! I'll have a little sign-up sheet if you would like to bring a snack for us to enjoy, and we will be playing some fun games and doing a little art project!

Summer activities will start approximately the third week in June. Monday and Tuesday will be water days, so please bring sunscreen lotion, bathing suit, towel, and water shoes. If you would like, you can also bring an extra shirt to wear in the water. We will be putting sunscreen lotion on your child each time we go outside! We will be doing science experiments, art, cooking, stem projects, have picnics either inside or outside (weather permitting) and other fun activities to keep your child entertained!

Special Days in June

June 12: Magic Day. We will be doing fun art projects and activities

June 14: Flag Day

June 15: Go fly a kite day. We will be making a kite to fly outside

June 18: Picnic Day. We will have a picnic either inside or outside (weather permitting)

June 21: Father's Day! Surprises for Dad starting the week before

* We will be going outside, weather permitting, so please remember that the weather will be warmer!

If you have any questions, please e-mail me at firstschooltwos1atgmail.com. Thank you!
